Carpets for Kids is a competitively awarded NCPA Vendor

NCPA members can save time and money on quality early education carpets and rugs

Lake Oswego, OR (April 20, 2022) – NCPA (National Cooperative Purchasing Alliance) members can now purchase Carpets for Kids quality educational carpets using the new Award for Educational Carpets and Mats contract 07-65.

NCPA is a leading national government purchasing cooperative working to reduce the cost of goods and services by leveraging the purchasing power of public agencies in all 50 states. NCPA utilizes state of the art procurement resources and solutions that result in cooperative purchasing contracts that ensure all public agencies are receiving products and services of the highest quality at the lowest prices. There are over 90,000 agencies nationwide from both the public and nonprofit sectors that are eligible to utilize NCPA's cooperative purchasing contracts. To learn more about becoming a member visit www.ncpa.us.

President Jeff Fagen of Carpets for Kids said, "Quality product and our Quick Ship programs make us an ideal vendor for NCPA members. We believe Carpets for Kids offering will encourage members to refresh their spaces with our unmatched designs, colors, and quality carpets."

"Now, more than ever, we understand the needs of our educators for area rugs to be design forward, educationally necessary, easy to care for, and arrive on time," said Michele Swanston, Marketing Manager of Carpets for Kids. "The NCPA Purchasing agreement gives back precious time and saves money without compromising on service and quality."

About Carpets for Kids

Carpets for Kids etc...® is the industry leader in educational area rugs. Established in 1992, we are a family-owned company that strives to produce quality product for use in nursery and early education classrooms, playrooms, libraries, and care centers. Unmatched in vibrancy and depth of color, stain protection, and offering a wide variety of curriculum supportive, kid-centric designs, at Carpets for Kids our goal is to provide teachers, parents, and administrators with an excellent tool to enhance learning for young children. Our teachers know When Quality Counts, ask for Carpets for Kids extensive selection of area rugs. View our extensive catalog of products on our website www.carpetsforkids.com.
